WAGGA WAGGA ROAD RUNNERS

Wagga Wagga Road Runners (WWRR) is a non profit fun club that encourages families and individuals to participate in running and walking activities throughout the year.

WWRR:

- produces a program timetabling the running activities for the year (the February and November runs are held at the Wagga Wagga Beach)
- conducts a number of social functions each year, the last activity being the Christmas BBQ

A number of club members co-ordinate extra midweek runs throughout the year.

WWRR philosophy is for families and individuals to enjoy the activities and each others company:

- **free from political, and religious persuasion and**
- **WWRR does not tolerate racial discrimination or sexual harassment.**

This philosophy applies to the organised and informal activities associated with WWRR; which if not addressed can have a serious impact on the club and individuals.

If you experience some behaviour you do not enjoy just politely tell the person; and that behaviour should cease.

Should you have any questions or concerns please contact Kath Skinner 69314699. It will be dealt with in the strictest of confidence.
